#### **Disclaimer**

This presentation may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses, including employee wages, benefits and training, property expenses and governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on current view of SPH REIT Management Pte. Ltd. (as the manager of SPH REIT) on future events.

This presentation shall be read in conjunction with SPH REIT's financial results for the period from 24 July 2013 (listing date) to 30 November 2013 in the SGXNET announcement.

## **Growth Strategy**

#### Sponsor's pipeline asset – The Seletar Mall, completion Dec 2014

- Six-storey mall (including two basements of retail) & three-basement levels of carpark, under development in West Sengkang
- Suburban lifestyle hub with NLA 188,000sf and is expected to be completed by December 2014
- Positioned as a family-friendly mall, focusing on the mid-tier customer market
- Confirmed three anchor tenants: cinema operator Shaw Theatres (17,000sf), NTUC Foodfare food court (12,000sf) and upscale supermarket Fairprice Finest (23,000sf)
- A fast growing residential area in Singapore providing a strong catchment of 320,000 residents within a 3-km radius in Singapore
- SPHL's effective interest: 70%

### Multi-pronged growth strategy to ensure growth

Proactive asset management and asset enhancement strategy

- Ensure that interests of all stakeholders, including tenants, shoppers and unitholders are protected while keeping its properties at the forefront of evolving retail mall trends and relevant to changing demands of consumers
- Continually optimise tenant mix of its properties
- Deliver high quality service to tenants and become the landlord of choice in the Singapore retail real estate space
- Implement asset enhancement initiatives and implement proactive marketing plans

Investments and acquisition growth strategy

- ROFR on the Sponsor's future income-producing properties used primarily<sup>(1)</sup> for retail purposes in Asia Pacific
  - Currently one applicable ROFR property, The Seletar Mall, which is slated for completion in December 2014
- Explore acquisition opportunities that will add value to SPH REIT's portfolio and improve returns to unitholders

#### Note

(1) 'primarily' means more than 50.0% of net lettable area or (in the case of a property where the concept of net lettable area is not applicable) gross floor area.
